

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 6, 1995

SUBJECT: **SB 1402 - HB 1098**

This bill, if enacted, will require institutions of higher education to provide students with color-coded tickets to athletic and other events. These tickets will be distinguishable from those tickets sold to non-students.

The bill makes it an offense for a student to sell or exchange for value any admission ticket that the student is entitled to by virtue of being a student. Any violation of this provision is a Class C misdemeanor punishable by fine only.

The fiscal impact from enactment of this bill is estimated to be an increase in local government revenues to the extent fines are imposed and collected for violations. A reasonable estimate of the increase cannot be determined but is estimated to be not significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
